Dear Madeleine,

## ASX PRICE QUERY – BLAZE MINERALS LIMITED (ASX: BLZ)

I refer to your letter dated 7 February 2022 wherein the ASX notes an increase in share price and volume of Blaze Minerals Limited (ASX: BLZ) ("**Blaze**" or the "**Company**").

The Company provides the following responses to the ASX's queries:

- ASX Question 1: No, the Company is not aware of any information concerning it that has not been announced to the market which, if known, could explain recent trading in the Company's securities.
- ASX Question 2: The Company's response to ASX Question 1 is "No" and therefore ASX Question 2 is Not Applicable.
- ASX Question 3: The Company is not aware of any reason or information which could be an explanation for the manner of trading in the Company's securities over the aforementioned period. However, the Company notes that its Exploration Projects and work programs are progressing positively with commencement of drilling at the Jemberlana Project (ASX Release 31 January 2022). During the December quarter, the Company was also granted its highly prospective tenements E52/3879, E69/3815 and E69/3885 located in the Earraheedy Basin of Western Australia. These tenements cover the immediate northwestern strike extension of the Chinook Zinc-Lead discovery of Rumble Resources Limited (ASX: RTR) and the Iroquis Zinc-Lead discovery of Strickland Metals Limited (ASX: STK).
- ASX Question 4: As requested, the Company confirms it is in compliance with the ASX Listing Rules, in particular, ASX Listing Rule 3.1.
- ASX Question 5: The Company also confirms that the above responses have been authorised and approved under the Company's continuous disclosure policy and by its Board.

This announcement has been authorised by the Board of Blaze Minerals Limited.

*For, and on behalf of, the Board of the Company*

Dear Mr Cheema

### **Blaze Minerals Limited ('BLZ'): Price Query**

ASX refers to the following:

- A. The change in the price of BLZ's securities from a low of \$0.028 at the commencement of trade on Monday, 31 January 2022 to an intraday high of \$0.052 today, Monday 7 February 2022.
- B. The significant increase in the volume of BLZ's securities traded between Monday, 31 January 2022 and today, Monday 7 February 2022.

### **Request for information**

In light of this, ASX asks BLZ to respond separately to each of the following questions and requests for information:

1. Is BLZ aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is "yes".
  - (a) Is BLZ relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in BLZ's securities would suggest to ASX that such information may have ceased to be confidential and therefore BLZ may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
  - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
  - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is "no", is there any other explanation that BLZ may have for the recent trading in its securities?
4. Please confirm that BLZ is complying with the Listing Rules and, in particular, Listing Rule 3.1.
5. Please confirm that BLZ's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of BLZ with delegated authority from the board to respond to ASX on disclosure matters.

### **When and where to send your response**

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **12:30 PM AWST Monday, 7 February 2022**. You should note that if the information

---

requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, BLZ's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require BLZ to request a trading halt immediately.

Your response should be sent to me by e-mail at [ListingsCompliancePerth@asx.com.au](mailto:ListingsCompliancePerth@asx.com.au). It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

### **Trading halt**

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in BLZ's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

### **Suspension**

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in BLZ's securities under Listing Rule 17.3.

### **Listing Rules 3.1 and 3.1A**

In responding to this letter, you should have regard to BLZ's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that BLZ's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

### **Release of correspondence between ASX and entity**

We reserve the right to release a copy of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours sincerely

---
