Overview

Blaze is a mineral exploration company listed on the ASX.

The Company has entered into an agreement to acquire 100% of the North Spirit Lithium Project which is strategically located in Ontario's 'Electric Avenue' in the Red Lake Region of Canada. The North Spirit Lithium Project covers approximately 365 square kms, located 30 kms along strike to the southeast from Frontier Lithium's (TSXV: FL) world class PAK and Spark Lithium Project.

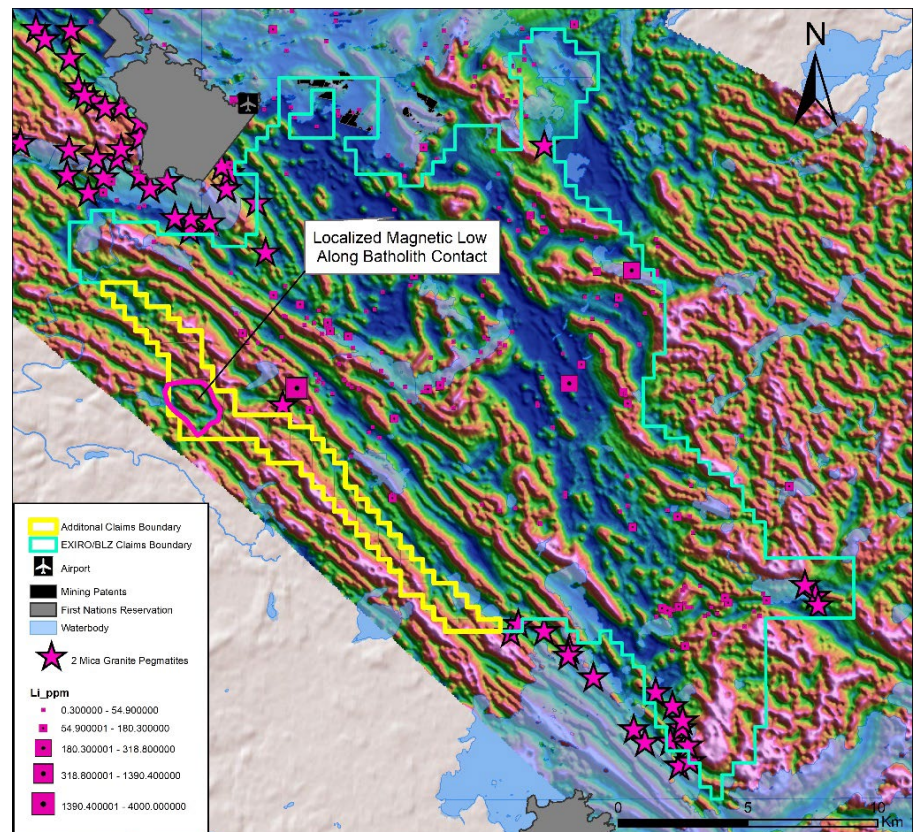

The Company also holds a base metal exploration project in the Earahedy Basin of Western Australia and a gold exploration project in the Murchison Region of Western Australia.

North Spirit Lithium Project Expanded Electric Avenue, Ontario

Blaze Minerals Limited (ASX: BLZ) ("**Blaze**" or the "**Company**") is pleased to advise that Exiro Minerals Corporation ("**Exiro**"), has staked an additional 129 claims covering 2,550 hectares adjoining the south-western Batholith contact of the existing North Spirit Lithium Project ("**Project**") located in **Ontario's 'Electric Avenue'** in the Great Lakes Region of Canada, significantly expanding the Project outlined in the recently announced Heads of Agreement (26 May 2023).

HIGHLIGHTS

- Additional staked area takes the total **North Spirit Lithium Project** to **1,827 claims covering 36,510 hectares**
- Includes the **prospective localised magnetic low along the Batholith contact approximately 30 kms along strike from Frontier Lithium (TSXV: FL) world class PAK Lithium Project**
- Due diligence activities are well advanced and on schedule
- **Field activities are in the planning stage and are expected to commence next quarter**
- Initial field activities will **target two-mica granite pegmatites** defined in regional OGS mapping which compare favourably to 2001 results of Frontier Lithium's PAK deposit.

This announcement has been authorised by the Board of Blaze Minerals Limited.

Forward looking statements

This announcement contains forward-looking statements which are identified by words such as 'may', 'could', 'believes', 'estimates', 'targets', 'expects', or 'intends' and other similar words that involve risks and uncertainties. These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that, as at the date of this announcement, are expected to take place. Such forward-looking statements does not guarantee future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, the directors and our management. We cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur and investors are cautioned not to place undue reliance on these forward-looking statements. We have no intention to update or revise forward-looking statements, or to publish prospective financial information in the future, regardless of whether new information, future events or any other factors affect the information contained in this announcement, except where required by law. These forward-looking statements are subject to various risk factors that could cause our actual results to differ materially from the results expressed or anticipated in these statements.
